Afternoon,

I've attached a very simple document that we can use to capture the amount of PREDPOL dosage from the BIDS.

The form is self explanatory. The only clarification is under the title of Dates of the Week, please have you staff only list the week from Sunday to Saturday, ie. Sunday May 1 thru Saturday May 7.

Please email these lists to my Crime Analysis Unit, Lt. Merlo. He is CC'd on this email.

Thank you,

Howard Leslie
Commanding Officer
Central Area
